"Will You Go"

Late summer time is coming
With the trees still sweetly blooming
And the wild mountain thyme
Growing round the purple heather
Will you go, lassie go.

And we'll all go together
To pull mountain thyme
All around the purple heather
Will you go, lassie go.

I will build my love a bower
Behind the clear crystal fountain
And around it I will sow
All the flowers of the mountain
Will you go, lassie go.

And we'll all go together
To pull mountain thyme
All around the purple heather
Will you go, lassie go.

If my love should tell me no
Surely I will find another
To pull wild mountain thyme
All around the purple heather
Will you go, lassie go.

And we'll all go together
To pull mountain thyme
All around the purple heather
Will you go, lassie go.

And we'll all go together
To pull mountain thyme
All around the purple heather
Will you go, lassie go.
