It's not your memory I drown
It's my sanity that lifts me off the ground
I should be hurting but I'm not
I've been up and down this road an awful lot

Yes I'm untrue
It's not fair for me to fall in love with you
Yes I'll say when
When the time is right to open up again
and free you
free you

It's an illusion but it's not
It's something that I know she has forgot
It's plain and simple it's a fact
Self confidence it's what I've always lacked

Yes I'm untrue
It's not fair for me to fall in love with you
Yes I'll say when
When the time is right to open up again
and free you
free you

Letting you go could take me years
Without you I'll just drown up in these tears
I think I'll dream until you're gone
And forget about the right that I've been on

Yes I'm untrue
It's not fair for me to fall in love with you
And I'll say when
When the time is right to open up again
And free you
And free you

Yes I'm untrue
It's not fair for me to fall in love with you
And I'll say when
When the time is right to open up again
