God, give us intelligence to protect ourselves can we be saved from us, nowadays? God, the innocent mistakes are the heaviest how we can forgive ourselves for the foreign tears

2.

do you think it won't happen with you and do you believe that everything will be ok you kick your life again while now somebody counts its tears friend, where are you going to to meet your destiny face to face? and others have been in hurry, too do you see the flowers next to the road countless souls... lost (souls) [countless lost souls]
