C'mon everybody and let's get together tonight  
Got some money in my jeans and I'm really gonna  
spend it right  
No more movies for a week or two  
No more running 'round with the usual crew

Ah, who cares?  
C'mon everybody

Well, my baby's number one but I gotta dance with  
three or four  
The place is really shaking from the bare feet slapping  
on the floor  
When you hear the music you can't sit still  
Your brother won't rock but your sister will

Whoo  
C'mon everybody

My place is really rocking, so we gotta put a guard  
outside  
If my folks come home, I'm afraid they're gonna have  
my hide  
No more movies for a week or two  
No more running 'round with the usual crew

Who cares?  
C'mon everybody

C'mon everybody and let's get together tonight  
Some money in my jeans and I'm really gonna spend it  
right  
No more movies for a week or two  
No more running 'round with the usual crew

Ah, who cares?  
C'mon everybody
