C'mon everybody and let's get together tonight
Got some money in my jeans and I'm really gonna
spend it right
No more movies for a week or two
No more running 'round with the usual crew

Ah, who cares?
C'mon everybody

Well, my baby's number one but I gotta dance with
three or four
The place is really shaking from the bare feet slapping
on the floor
When you hear the music you can't sit still
Your brother won't rock but your sister will

Whoo
C'mon everybody

My place is really rocking, so we gotta put a guard
outside
If my folks come home, I'm afraid they're gonna have
my hide
No more movies for a week or two
No more running 'round with the usual crew

Who cares?
C'mon everybody

C'mon everybody and let's get together tonight
Some money in my jeans and I'm really gonna spend it
right
No more movies for a week or two
No more running 'round with the usual crew

Ah, who cares?
C'mon everybody
