Well, I'm in love with you, baby
And I do declare it's a cryin' shame
Well, I'm in love with you, baby
And I do declare it's a cryin' shame

When I woke up last night
And you called me by another man's name
Well, I'm sending you right back home
Let your mother take care of you
Yeah, yeah, yeah
I'm sending you right back home to New York
Let your mother take care of you

Well, I've got lots of things to see
Too many things I've gotta do
Well, I miss you, girl, and I love you, love
And I hope you're doin' fine
Just leave me alone, darling
Stop sniffin' around my door
Or else I'm gonna leave you behind

I'm in love with you, baby
And I do declare it's a cryin' shame
Yeah, heh, heh, I'm in love with you, baby
And I do declare it's a cryin' shame

When I woke up late last night
And you called me by another man's name
Out the door

Well, I miss you, girl, and I love you, love
And I hope you're doin' fine
Just leave me alone, darling
Stop sniffin' around my door
Or else I'm gonna leave you behind

I'm sending you right back home
Let your mother take care of you
Yeah, yeah, yeah
I'm sending you right back home
Let your mother take care of you

I've got lots of things to see
Too many things I've gotta do, yeah
I love you all night long
What else is there that I can do?
I love you all night long, darling
What else is there that I can do?
