Well, all night long way black top highway midnight
hittin' a groove
Mustang radio, rag top jukebox, Hound Dog don't be
cruel
Roadside rest stop, all night truck stop side show out of
a van
A rhinestone lunch box, ashtray junk shop, key chain
hittin' the fan

Elvis on velvet, don't know why it makes me blue
Elvis on velvet, it's got a strange effect on you
Elvis on velvet, somehow it makes me mad
Elvis on velvet, and I can see him tonight up on the
road ahead

Well, drift back daydream Memphis street scene 1955
A street flair flat bed three piece string band shakin'
man alive
Then Heartbreak Hotel, Jailhouse Rock, Love Me Tender
please
An' I'm all shooked up, too much, so treat me nice and
wear my ring

Elvis on velvet, I don't know why it makes me blue
Elvis on velvet, it's got a strange effect on you
Elvis on velvet, somehow it makes me mad
Elvis on velvet, and I can see him tonight up on the
road ahead

Well, Graceland, wasteland right this way ma'am one
low price to pay
His life, his love, his home, his stuff, his final resting
place
Thy kingdom come, thy will be done, thy records re-
released
All kneel to second guess and bless him, let him rest in
peace

Elvis on velvet, I don't know why it makes me blue
Elvis on velvet, it's got a strange effect on you
Elvis on velvet, oh, somehow it makes me mad
Elvis on velvet, and I can see him tonight up on the

road ahead

Elvis on velvet, I don't know why it makes me blue
Elvis on velvet, it's got a strange effect on you
Elvis on velvet, somehow it makes me mad
Elvis on velvet, and I can see him tonight up on the
road ahead
