Well, it's no good to smoke
And it's no good to drink
What the hell you're doing, boy?
Don't you never ever think?

Well, you're killing yourself man
And you're just a kid
So you better slow down
Or you wish that you did

Maybe I'll only last a year
And a day but
How long you wanna live, anyway?

Well, I just don't care
And I just can't be bothered
Well, I'm sick of taking crap from
My mother and my father

Well, I'm looking real cool
My hair all grease
Well, there ain't no way I'm gonna
Live like a priest

Maybe I'll only last a year
And a day but
How long you wanna live, anyway?

Well, you're growing old man and
You ain't having no fun
Well, I'm still young and I'm getting
Me some

Well, you can hide away
And you can live like a monk
And I'll be a low down dirty skunk

Maybe I'll only last a year
And a day
Maybe I'll only last a year
And a day

Maybe I'll only last a year
And a day but
Like how long you wanna live
Anyway
