Well, I got a low down dirty feeling  
That I've been cheated on and lied to  
If it's so then it's wrong, we've hung on for so long  
Why don't we have that magic anymore?

I've got a strange sneaking suspicion  
It's been going on for sometime now  
Something shines in your eyes  
Something stirs deep inside  
I won't stand in your way anymore

You say that I'm just a little boy  
Who's easily led astray  
Well, aren't you that same little girl  
Who always gets her way?

I've got a strange sneakin' suspicion  
It's been goin' on for sometime now  
Something shines in your eyes  
Something stirs deep inside  
I won't stand in your way anymore

You say that I'm just a little boy  
Who's easily led astray  
Well, aren't you that same little girl  
Who always gets her way?

Well, I got a low down dirty feeling  
I've been cheated on and lied to  
If it's so then it's wrong  
We've hung on for so long

I won't stand in your way  
I won't stand in your way  
Won't stand in your way  
Anymore
