Well, out of love times we're now
Well, out of love times we're now
I love the way my woman screams and shouts

I'm a rocker when I wake up
I'm a rocker when I'm sleeping
It's my life now I'm a rocker

When she's dancing looks so fine
When she's dancing she looks so fine
I love it when she rubs it close to mine

I'm a rocker when I wake up
I'm a rocker when I sleep
It's my life now I'm a rocker

Well, outta sight, outta mind
Outta sight, outta mind
I love it when she rubs it close to mine

I'm a rocker when I wake up
I'm a rocker when I sleep
It's my life now I'm a rocker

Yeah, give me a standing audition
