Lonesome tears sad and blue
I cried lonesome tears for you
Well you know I know I cried
When you said goodbye

When you left and said I'm gone
Lonesome tears fell all night long
Well you know I know I cried
When you said goodbye

You left me here all alone
Hear me callin' won't you come back home
Love me like you did before
Now need I tell you more

Lonesome tears sad and blue
I cried lonesome tears for you
Well you know I know I cried
When you said goodbye

You left me here all alone
Hear me callin' won't you come back home
Love me like you did before
Now need I tell you more

Lonesome tears sad and blue
I cried lonesome tears for you
Well you know I know I cried
When you said goodbye
