Ooh wee Suzy, baby you're my lucky charm
Ooh wee Suzy, baby you're my lucky charm
Ooh wee Suzy, you're my lucky charm
Together we'll go walkin' arm in arm
Ooh wee Suzy, baby you're my lucky charm

Ooh wee Suzy, well, baby you've got beautiful legs,
yeah
Ooh wee Suzy, baby you've got beautiful legs
You've got beautiful legs and a lovely shape
I've got my eyes on you baby and you can't escape
Ooh wee Suzy, baby you're my lucky charm, yeah

And I feel lucky

Well, if you want to you can think about it
Sleep on it, damn it all tomorrow
Well, if you want to you can think about it
Sleep on it, damn it all tomorrow, oh

Go tell your mother and your father
That you won't be home tonight
We can meet up in the woods
Underneath the pale moon light

Ooh wee Suzy, baby you're my lucky charm
Ooh wee, baby you're my lucky charm
Ooh wee Suzy, baby you're my lucky charm
Ooh wee
