Say good-bye  
Why I can barely say goodnight  
If I can hardly take my eyes from yours  
How far can I go

Walk away  
The thought would never cross my mind  
I couldnt turn my back on spring or fall  
Your smile least of all

When I say always I mean forever  
I trust tomorrow as much as today  
I am not afraid to say I love you  
And I promise you Ill never say good-bye

Were dancers on a crowded floor  
While other dancers live from song to song  
Our music goes on, on and on  
And if I never leave your arms  
I really would have traveled everywhere  
For my world is there

When I say always I mean forever  
I trust tomorrow as much as today  
I am not afraid to say I love you  
And I promise you Ill never say good-bye

How could I ever say good-bye
