Well, I don't need a doctor
I don't need a pill
Anything you give me, babe
Will only make me ill

I need rock therapy
I need rock therapy
I need rock therapy
Oh, give it to me
Oh, give it to me
Oh, give it to me

Well, I don't need vitamins
They don't stand a chance
Swinging with my baby
Doing a rock and roll dance

I need rock therapy
I need rock therapy
I need rock therapy
Oh, give it to me
Oh, give it to me
Oh, give it to me

Well, I don't need a doctor
I don't need a nurse
Anything you give me, babe
Will only make me worse

I need rock therapy
I need rock therapy
I need rock therapy
Oh, give it to me
Oh, give it to me
Oh, give it to me

Well, I don't need a doctor
I don't need a pill
Anything you give me, babe
Will only make me ill

I need rock therapy

I need rock therapy
I need rock therapy
Oh, give it to me
Oh, give it to me
Oh, give it to me

Well, rock, rock, rock therapy
Rock, rock, rock therapy
Rock, rock, rock therapy
Rock, rock, rock therapy
Rock, rock, rock therapy
Rock
