Well there's the Rockabilly cats with their pomps real
high

Wearing black drape coats, all real gone guys
The cool skinheads with roll up jeans
Looking real tough and mighty mean

There's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a damn thing that the cops can do
There's a rumble in Brighton tonight

They sew fish hooks under their collars
They got razors in their shoes
I said , "Go cat go, go" is their battle cry
World war three is starting to brew

Well, the skinheads all use black jacks
And they're looking mighty mean
They got chains wrapped around their fingers
And their heads are all shaven clean

Well there's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a damn thing that the cops can do
There's a rumble in Brighton tonight

Well there ain't a man left standing
So let's all go get a beer
No team is a winner
We'll then see you all next year

Well there's a rumble in Brighton tonight
Ringside seats for the neighborhood fight
There ain't a damn thing that the cops can do
There's a rumble in Brixton tonight

Rumble in Brixton tonight
Rumble on the beach tonight
Rumble in Brixton tonight
Rumble on the streets tonight

There ain't a damn thing that the cops could do

So line back up for a side line view
Ringside seats for the neighborhood fight
There's a rumble in Brixton tonight
