Hey, man, I don't feel like goin' to school no more  
Me neither they can't make you go  
No you daddyo, yeah

I ain't goin' to school it starts too early for me  
Well listen man I ain't goin' to school no more  
It starts much, much too early for me  
I don't care about readin', writin', 'rithmetic or history

I'm gonna walk to the corner and meet my little Marie  
I'm gonna walk to the corner and meet my little Marie  
Well she's the only girl in this whole world who  
understands me

Well she's sexy and seventeen  
My little rock-roll queen acts a little bit obscene  
Gotta let off a little steam  
Dig that sound shake it around you're mine, mine, mine

Johnny and Eddie and me and Jimmy and Jack  
Are gonna do a little number on the teacher when she  
turns her back  
We're gonna cut out of class, meet the girls by the  
railroad track  
Well every Friday night there's a band that you gotta  
hear  
Just a dollar ticket in and twenty-five cents a beer  
They play rock and roll music like it hasn't been rocked  
for years

Well she's sexy and seventeen  
My little rock-roll queen acts a little bit obscene  
Gotta let off a little steam  
Dig that sound shake it around you're mine, mine, mine

Well when I hear that rockin' beat  
I can't sit still up , out of my seat  
Come on babe let's jump 'round your feet  
Can't learn nothin' in school they don't teach you on the  
street

Wo-oh, wo-oh, baby, I like your style  
Wo-oh, oh, oh, oh baby, I like your style  
You don't care what the other kids say, you go real wild

Well you're sexy and seventeen  
My little rock-roll queen acts a little bit obscene  
Gotta let off a little steam  
Dig that sound and shake it around you're mine, mine,  
mine  
Dig that sound and shake it around you're mine, mine,  
mine  
Dig that sound and shake it around you're mine, mine,  
mine
