roll roll roll  
bop man bop  
I wanna rip it, rock it, really bop it,  
Yeah, Davy Crockett  
Every time I hear that wild saxophone  
I wanna mambo, jambo, do my number  
Hold my baby all the summer  
Every time I hear that wild saxophone  
I wanna rock rock rock  
roll roll roll  
bop man bop  
I wanna flip it, flop it, really bop it,  
Aaaaah, Davy Crockett  
Every time I hear that wild saxophone  
Every time I hear that wild saxophone  
Every time I hear that wild saxophone  
Every time I hear that wild saxophone
