I never understand what you do to me
But I'll never get right down on bended knee
But I cry and I cry and I cry

I don't think you know, you've done me wrong
But still, I've been in love now, oh so long
But I try and I try and I try
And you don't believe me

I give you my house, my heart, my home
When I'm gone, you're not alone
You never hear a thing I say
And it happens every day

Why, why, why, why, why, why are you never home
While I, I, I, I, I sit here by the phone?
'Cause I try and I try and I try
And you don't believe me

Oh Lord, I give you my house, my heart, my home
When I'm gone, you're not alone
You never hear a thing I say
And it happens every day

Why, why, why, why, why, why are you never home
While I, I, I, I, I sit here by the phone?
'Cause I try and I try and I try
And you don't believe me

Well, I try and I try and I try
And you don't believe me
Well, I try and I try and I try
And you don't believe me
