When the sun came up
We were sleeping in.
Sunk inside our blankets
Sprawled across the bed
And we were dreaming.

There were moments when
When i know it and
The world revolves around us.
And we're keeping it
Keep it all going
This delicate balance
Vulnerable, all i know is

sing like you think no ones listening
you would kill for this
just a little bit
just a little bit
you would kill for this

sing like you think no ones listening
you would kill for this
just a little bit
just a little bit
you would...

sing me something soft
sad and delicate
or loud and out of key
sing me anything

we're glad for what we got
done with what we lost
out whole lives laid out
right in front of us

sing like you think no one's listening
you would kill for this
just a little bit
just a little bit
you would, you would

sing like you think no one's listening
you would kill for this
just a little bit
just a little bit
you would...

sing me something soft
sad and delicate
or loud and out of key
sing me anything
