Loneliness is an amazing thing
Amazing how many thoughts you bring
Amazing how many songs we sing
Loneliness is an amazing thing
Are you gonna be good?
Are you gonna do the things you should?
Are you gonna nag me?
Would you ever leave me if you could?
Are you really gonna wear that?
Do you really think you're that misunderstood?
Do you believe in fate?
Do you need someone to look under the hood?
Is Bonds really that great?
Are you pissed I made you wait?
Did you wash that plate?
Are you pissed I made you wait?
Do you watch blind date?
Are you pissed I made you wait?

I wish you'd tell me words that I can live by
Give me love that I can at least try
Sing me songs that make me laugh and cry
Tell me words that I can live by
Are you gonna take a nice trip?
If you had a beer, would you let me have a sip?
Did you wanna be a vet?
Do people tell you that you have nice lips?
Are you in debt?
Have you ever seen the band The Mother Hips?
Do you like to heavy pet?
Do you wanna make a bet?
Did you surf the mornin set?
Do you wanna make a bet?
Have you ever been to Spain?
Do you ever look in wonder at a crane?
Do you like the sound of rain?
Do you really think that I can feel your pain?
Do you like to play sports?
Have you ever seen The Song Remains the Same?
Is your car an import?
Is this song driving you insane?

Do you wear short shorts?
Nair for short shorts
Do you like chocolate tortes?
Nair for short shorts...
