I lost myself for a second there  
I don't know how  
I don't know where  
I turned the key  
climbed the stairs  
to the smile that said hello, I will  
(You know I will).

It comes to this  
we're skin and bones  
so let's pretend we're not alone  
I'll do my best  
to be your home  
now I trust you'll do the same for me  
it's just not that easy.

'Cause love don't owe you anything  
it's foolish if you ever thought it did  
I'll prove my faith  
I'll wear your ring.

The Father, Son and the Holy Ghost  
it's love and death  
we fear the most  
so pour a drink  
we'll raise a toast  
to those who know the twins of freedom  
the twins of freedom.

You know it's hard to live like lovers do  
the worst in me  
the worst in you  
the world outside can shatter too  
but that can't change the reasons  
why we first we came here  
we came here.

'Cause love don't owe you anything  
it's foolish if you ever thought it did  
I'll prove my faith  
I'll wear your ring.

I thought I understood  
now I understand.

'Cause there's glitter on the hills tonight  
sparkling blue and throwing light  
the traffic crawls behind my eyes  
to that place of hope and innocence  
innocence.
