She was five and I was six
We rode on horses made of sticks
She wore black and I wore white
She would always win the fight

Bang bang, she shot me down
Bang bang, I hit the ground
Bang bang, that awful sound
Bang bang, she used to shot me down

Seasons came and changed the time
When I grew up, I called her mine
She would always laugh and say
"Remember when we used to play?"

Bang bang, she shot me down"
Bang bang, I hit the ground"
Bang bang, that awful sound
Bang bang, she used to shoot me

Bang bang and i shot you down
Bang bang and you hit the ground
Bang bang, that awful sound
Bang bang, she used to shoot me down

Now she's gone, and I don't know why
And till that day, sometimes I cry
She didn't even say "goodbye"
She didn't take the time to lie
Bang bang, she shot me down
Bang bang, I hit the ground"
Bang bang, that awful sound
Bang bang, she used to shoot me
Bang Bang tu m'a tuÃ©
Bang bang et je tomber
Bang Bang et ce bruit la
je ne l'oublierais pas
