I knew you well:
your regrets, your wishes,
your secret names,
your dreams unleashed.

But little did I know
once the fear was long gone
IÂ´d be hearing words
so many long for.

We sat and stared
through those trembling moments
(the key was kept
on the back of my hand).

But little did we know
once the door was open
weÂ´d be humming songs
so many long for.

For everything that weÂ´ve shared in this life
youÂ´ve given me a gift of song.
For everything that weÂ´ve been through
I give you my all.
IÂ´m breathing again.
