Calliopeia

[Verse 1]

Let the evening air in and dim the lights;  
Reality's fading as our minds fly.

[Chorus]

A heavenly glow...  
The muse has spoken;  
The grace of her song...  
Calliopeia.

[Verse 2]

Every hour, every day, my search goes on.  
My precious memories are all I have left.

[Chorus]

A heavenly glow...  
The muse has spoken;  
The grace of her song...  
Calliopeia.

[Verse 3]

I gave my soul away, for a dream, for an illusion.  
Who will lead me now? Drowning in tears, I turn to you.

[Chorus]

A heavenly glow...  
The muse has spoken;  
The grace of her song...  
Calliopeia.  
(Who will lead me now?)
