Agony:

I am pain

I am real. I'm not a dream

I'm the chain around your neck as you scream

Surrender now

You can't beat death at his ruthless game

Make your bow

Hang your head in shame

Me: I can't believe there is no way out...

Agony: You'll find you are wrong

Me: You fill me with doubt...

Agony: You were never that strong

Agony:

I am pain

I am the wound that never heals

It's all in vain

No compromise, no deals...

Me: I can't believe this is the end

Agony: It's written in stone

Me: Where are my friends?

Agony: You have always been alone!

Rage:

(Pain!) We lead

We hide as the pain leaves the rage inside

(Motion personified alpha)

Being here, welcomed by...a sane mind

A travelled lie

Agony:

I am pain

I am the end, I am your wraith

Nothing remains

I'm the loss of hope and faith

Me: I can't believe there is no way out...

Agony: You'll find you are wrong

Me: You fill me with doubt...

Agony: You were never that strong

Rage:

We lead, we hide as the pain leaves the rage inside

(Motion personified alpha)

Being here, welcomed by...a sane mind

A travelled lie

All the time, I had waited with rage

All the time, I was promised my salvation

Love:

I can't accept this, we will find a way

Out of this cesspool of doom and dismay

Beyond this dejection there's beauty and grace

A glorious future we long to embrace

Rage:

(Pain!) All the time, I have waited with rage

(Motion personified alpha)

All the time, I was promised my salvation
