Out In The Real World

[Intro]

(out in the real world you are waiting to take my hand,  
I'll be looking for an answer that leads me back...)

[Verse 1]

I've hidden wishes for so long, buried deep inside.  
Keeping them secret from a world that'll never realize  
the way I dream.

[Pre-Chorus]

Puedo ver esos rD½os de luz escapar de mi piel, hacia  
la fantasia.

[Chorus 1]

Out in the real world you are waiting to take my hand,  
I'll be looking for an answer that leads me back.

[Verse 2]

I lack the will to face my fears, I'm running from it all.  
And all the painful memories, they haunt me once  
again. I'm giving up.

[Pre-Chorus]

Puedo ver esos rD½os de luz escapar de mi piel, hacia  
la fantasia.

[Chorus 2]

Out in the real world you are waiting to hear my call.  
Through a river of illusions you saw me fall.

[Chorus 1]

Out in the real world you are waiting to take my hand,  
I'll be looking for an answer that leads me back.  
Outside, back in your arms.

[Verse 3]

No matter how hard it may seem, we should never  
hide,  
The little things that make us real.  
Show them who we truly are, we will in time

[Chorus 2 and Pre-chorus play simultaneously\*\*]

[Pre-Chorus]

Puedo ver esos rD½os de luz escapar de mi piel, hacia  
la fantasia.

[Chorus 2]

(out in the real world you are waiting to hear my call.  
Through a river of illusions you saw me fall.)

[Chorus 1]

Out in the real world you are waiting to take my hand,  
I'll be looking for an answer that leads me back.
