Pain (Stream Of Passion Version)

[Ayreon cover]

[Marcela:]

I am pain

I am real. I'm not a dream

I'm the chain around your neck as you scream

Surrender now

You can't beat death at his ruthless game

Make your bow

Hang your head in shame

[Diana:] I can't believe there is no way out...

[Marcela:] You'll find you are wrong

[Diana:] You fill me with doubt...

[Marcela] You were never that strong

[Marcela:]

I am pain

I am the wound that never heals

It's all in vain

No compromise, no deals...

[Diana:] I can't believe this is the end

[Marcela:] It's written in stone

[Diana:] Where are my friends?

[Marcela:] You have always been alone!

[Marcela & Diana:]

We lead

We hide as the pain leaves the rage inside

[Arjen:] Motion personified alpha

[Marcela & Diana:]

Being here, welcomed by... a sane mind

A travelled lie

[Marcela:]

I am pain

I am the end, I am your wraith

Nothing remains

I'm the loss of hope and faith

[Diana:] I can't believe this is the end

[Marcela:] It's written in stone

[Diana:] Where are my friends?

[Marcela:] You have always been alone!

[Marcela & Diana:] We lead, we hide as the pain leaves

the rage inside  
[Arjen:] (Motion personified alpha)  
[Marcela & Diana:]  
Being here, welcomed by... a sane mind  
A travelled lie  
All the time, I had waited with  
[Marcela:] rage  
[Arjen:] (Motion personified alpha)  
[Marcela & Diana:] All the time, I was promised my  
[Diana:] salvation  
[Marcela & Diana:]  
I can't accept this, we will find a way  
Out of this cesspool of doom and dismay  
Beyond this dejection there's beauty and grace  
A glorious future we long to embrace  
[Marcela & Diana:] All the time, I had waited with  
[Marcela:] rage  
[Arjen:] (Motion personified alpha)  
[Marcela & Diana:] All the time, I was promised my  
[Diana:] salvation  
[Marcela & Diana:] All the time, I had waited with  
[Marcela:] rage  
[Arjen:] (Motion personified alpha)  
[Marcela & Diana:] All the time, I was promised my  
[Diana:] salvation
