(ONE NIGHT STAND AGAIN)

I know... why don't you try again?

Don't let me down!

We don't have a time anymore~

Why don't you try again?

Don't let me down!

*Let's try again

One night stand, One night sta..

(ONE NIGHT STAND AGAIN)

I know... why don't you try again?

Don't let me down!

We don't have a time anymore~

Why don't you try again?

Don't let me down!

*Let's try again

One night stand, One night stand, One night stand again now!

One night stand, One night stand.. It's fine!

OH~ why don't you try again*3

Don't let me down
