I never did lose a battle
But i'm feeling further from the end of war
Deplore
Ignored
And rarely ever self assured
Why does it seem the ones who have everything have
nothing inside?
Have nothing inside

I don't sleep anymore
I gave it up
Because what we do is not enough
And now they're calling out our bluffs
Have you done a single thing for someone else?
Or do you take take take until your belly is stuffed?

How long do you think you can go before you lose it all?
Before they call you bluff and watch you fall?
I don't know but i'd like to think i had control
At some point but i let it go and lost my soul
Sit tight but the revolution's years away
I'm losing faith and i'm running low on things to say
So i guess i have no choice but to regurgitate
The tired anthem of a loser and a hypocrite
Oh! to have died that night i realized it wouldn't last!
Our days were numbered and the reaper tipped the
hourglass
The final mayday of our sinking ship had come at last
Oh! to the west, you don't know what it is you're
running from
And everybody's laughing loud
Your last chance to make your mother and father proud
