Not long ago in my high school days,  
I watched a girl from so far away,  
But every time she passed me by,  
I turned my head away and quietly sighed.  
And when she walked by her hair would dance,  
A secret tango that only I could understand,  
And when she'd ask me for the time of day,  
I'd look her in the eyes and quietly say.

Oh Kristina, Kristina, do you have any clue who I am?  
(HELL NO!)  
So listen up cause I'll tell ya once and I'll explain myself  
the best that I can, whoa,  
Kristina, Kristina, you don't know me so I'll have to  
persist, [whistle]  
I'm kinda shy so no wonder why,  
Kristina she don't know I exist.

From class to class, I followed her,  
But I swore I'd leave her undisturbed,  
And if she'd ever stopped and turned around,  
I'd get so nervous that I'd stare at the ground.  
And then one day in photography,  
I found a contact print that I could not believe,  
And there she was staring back at me.  
So I took her home so quietly.

Kristina, Kristina, do you have any clue who I am? (HELL  
NO!)  
So listen up cause I'll tell ya once and I'll explain myself  
the best that I can,  
Kristina, Kristina, you don't know me so I'll have to  
persist, [whistle]  
I'm kinda shy so no wonder why,  
Kristina she don't know I exist.

1.17.98 has been a day that I've come to hate,  
As I walked into the video store,  
There she stood as my jaw fell to the floor.  
Tapping her toe, waiting in line,  
With a movie and another guy,

Why did I bother, why did I care,  
About this girl named Kristina Behr?

Kristina, Kristina, you'll never get to know who I am  
(YOUR LOSS!)

This is goodbye so please don't cry and I'll let you  
down as softly as I can,

Kristina, Kristina, another name to cross off my list.

Another life, it could've been nice, but Kristina she  
won't know what she missed.
