You're power mad
You want everybody to act like you
Talking your honey to people

It's venom you really say
Let's act rich and let's dress vogue
Hide our background, sell our souls

But the one you let go
Is back to have her say

White collar fraud
Here's for the payback
White collar fraud
Tan's honesty attack
White collar fraud

So pathetic you
To the actual rich, you're a sycophant
Leech on them in store

For a commission percent
Boxing out your co-workers
Gaining sales for your totals

Your fellow employees
Now have a say, "Via this salvo"

White collar fraud
We're calling you out
White collar fraud
A back stabber without a doubt
White collar fraud
You don't intimidate us no more
White collar fraud

Hey you, you're a retail whore
Rotting in that upscale store
Your fellow employees detesting you every day

White collar fraud
We're calling you out

White collar fraud
A back stabber without a doubt
White collar fraud
You don't intimidate us no more
White collar fraud
