Whoa-oo-oo
Leaving a trail of broken glass, yeah
Leading a life of nowhere fast
Is this your idea of having fun
I don't wanna see you, you're comin' undone, oh no

Oh-oh-oh, tomorrow's not a dirty word
Oh-oh-oh, you're talking in your sleep yeah
Oh-oh-oh, am I getting through to you
Yeah, yeah, yeah-yeah
Comin' true, the dream is alive
Wake up and spread the news
Comin' true, we're finally alive
And the dream is comin' true

Too many, too soon, I crashed and burned
Too little, too late
Oh babe the lesson is learned, yeah
If you're gonna fly you better have wings
Get up, get up and see what the daybreak brings
Oh yeah

Oh-oh-oh, our future's not a foreign land
Oh-oh-oh, a million miles away yeah
Oh-oh-oh, my friend we're not just passing through
Yeah, yeah, yeah-yeah
Comin' true, the dream is alive
Wake up and spread the news
Comin' true, we're finally alive
And the dream is comin' true

Comin' true, the dream is alive
Wake up and spread the news
Oh, oh, oh

Whoa-oo-oo
Leaving a trail of broken glass, babe
Leading a life of nowhere fast, yeah

Comin' true, the dream is alive
Wake up and spread the news
Comin' true, we're finally alive

And the dream is comin' true

Comin' true, the dream is alive

Comin' true, we're finally alive

Comin' true, the dream is alive

Comin' true, the dream is alive
