You are my best friend and I love you

You were always there to love me

When I didn't even love myself

You bring out the best in me

And I thank you

Thank you for my life

Thanks for your advice, your wisdom, and your
strength oh

1 - My earth angel

Thank you, I'm so grateful

For trusting me and loving me

With pure love unconditionally

My earth angel

Thank you, I'm so grateful

For trusting me and loving me

With pure love unconditionally
You are my messenger from heaven
No matter how unhappy I become
You always find a way to make me smile
And I admire you for your pure heart
You're always giving all of you to everyone around you
And I pray we never part, oh
Repeat 1
And if it wasn't for you
And if I didn't know you
And if you never reached me
And if you didn't teach me
I wouldn't be who I am right now
I wouldn't give what I give right now
I wouldn't think what I think right now
I'm thanking you, I'm thanking you, oh
Repeat 1 til end
