I don't want to barge in on your secrecy (see)
Dependency (see)
It means nothing to me;
I don't want to hear about your problems.

And I don't want to listen to your apathy (see)
You're not like me (see)
You mean nothing to me;
That cash doesn't make you any greener.

I don't need anyone, I don't need anyone,
I don't need anyone to tell me what to feel.
I don't need anyone, I don't need anyone,
I don't need anyone to hate the world with me.

(Day in day out) It's not that bad.
(I worry and I worry) But you'll never have to worry
again.
(Day in day out) It's not that bad.
(I worry and I worry) But You'll never have to worry
again,
(Won't have to worry again) Never be, alone.

Even if I told you what it meant to me (see)
You'd disagree, (see)
You'd never let it be,
You just wanna dance around the problem,
And everybody's talking about humility,(see)
indecency, (see)
smoke, and mirrors to me,
You had the world, and you pissed it all away

I don't need anyone, I don't need anyone,
I don't need anyone to tell me what to feel.

I don't need anyone, I don't need anyone,
I don't need anyone to hate the world with me.

(Day in day out) It's not that bad.
(I worry and I worry) But you'll never have to worry
again.
(Day in day out) It's not that bad.

(I worry and I worry) But You'll never have to worry
again,
(Won't have to worry again) Never be, alone.

(Ooooooh's...)
Alone, in my room, with a bucket full of phlegm,
I don't need, a music scene, to tell me who I am,
Should've got a warning,
Should've came a year ago,
Should I send her a birthday card?
My conscience tells me "No".

I don't need anyone, I don't need anyone,
I don't need anyone to tell me what to feel.
I don't need anyone, I don't need anyone,
I don't need anyone to hate the world with me.

(Day in day out) It's not that bad.
(I worry and I worry) But you'll never have to worry
again.
(Day in day out) It's not that bad.
(I worry and I worry) But You'll never have to worry
again,
(Won't have to worry again) Never be, Never be, Never
be alone.
