I hope it don't seem to harsh
I hope you don't take it to heart
But my mums due back soon

Verse 4

Now i got her in the yard it can't b long
It's gotta be live now man
All i gotta think about now is a condom
Where did i put 'em?
And it's way past 12
Last train long gone
How you gettin home though?
And it was her idea to come to the yard
So it must be on
So i said to her "why's your clothes still on?"
Show me some legs
Yea my mums commin home soon
Yeah we gotta get a groove on

No long one's lets do it now

Ooo i bet that hurt

Next time you come il give you a betta shag

Yea bell me bell me
