I got no cash, got no girl
Got the world in the palm of my hand
I don't care if you care or if you understand
'Cause I'm a little kid and I've got little problems, yeah
And I don't give a shit if you don't even understand

And I got me
(But I got me)
That's all I need
(That's all I need)
And I live comfortably
(And I live comfortably)
And I sleep peacefully
Go

I got no cash, got no girl, got the world in the palm of
my hand
I don't care if you care or if you understand
'Cause I'm a little kid and I've got little problems, yeah
And I don't give a shit if you don't even understand

And I got me
(Well, I got me)
That's all I need
(That's all I need)
And I live comfortably
(And I live comfortably)
And I sleep peacefully
Go

I give up, I don't wanna hear, I don't wanna be near
You, your friends, your dime a dozen miseries
I don't care if you care about the way you wear your
hair
Your shoes, your idiot attitude

Don't stop 'cause I won't hear your problems
Don't stop 'cause I won't help you solve them
Don't stop whatever I might say, got a problem
Okay, I'm moving things out the way

I give up

I got no cash
