come let us make bricks  
and burn them hard,  
we'll build a city with a tower for the world  
and climb so we can reach  
anything we may propose,  
anything at all

build me up, tear me down  
like a skyscraper,  
build me up, and tear down  
these joining walls  
so they can't climb at all  
so they can't climb at all

yeah, I know why you tore it down that day,  
you thought, that if you got caught  
we'd all go away,  
like a spoiled little baby  
who can't come out and play,  
you had your revenge

build me up, tear me down  
like a skyscraper,  
build me up, and tear down  
these joining walls  
so they can't climb at all  
so they can't climb at all

(instrumental)

well madness reigned  
and paradise drowned  
when Babel's walls came a-crashing down  
now the echoes roar  
a story writ  
that was hardly understood  
and never any good

so, build me up, tear me down  
like a skyscraper,  
build me up, and tear down

these joining walls  
so they can't climb at all  
so they can't climb at all
