Yeaahh Yeaahh

I should be standin at the bar waving a ten pound note
around

But I sit here on the sofa at my girls house

I should be chattin shit as i've not been out another
snout

But I'll roach a spliff watching the tv for now

I should be wotching the fruit machine for which one
will pay out

But i sit on the sofa at my girls anyhow

I should be leggin it FROM A cab like a mad little lout

But I'll roach a spliff wotch in the tv through out

I know I never tell about every single day now

Im always thinking loads about her

Shes the best thing that ever happened to me and

I don't know what I would do without her

I should acctually go out and about and flip some beer
mats

Instead of sittin here at my girls gaff

Coz all i seem to do is sit in this habitat

Jus roachin a spliff wotch in the tv and that

On the tv at my house it's a bit broken at the back

So i use my girls tv to wotch the match

Yeah I might head out later to get off this beaten

TRACK

Of wotching the tv roachin up on the same old mat

I know I never tell about every single day now

Im always thinking loads about her

Shes the best thing that ever happend to me and

I don't know what I would do without her

But on second thoughts i wont do shots

No I think i will sit on the sofa and eat my tv meal

I would acctually prefer to jus sit here a chill

Roachin a spliff wotch in eastenders or the bill

'cause bascially I love her and I love being here still

And I love sittin on the sofa with my girl for real

I don't wanna knock my mates but there it's the same
old drill
Roachin a spliff wotchin the tv is my will

I know I never tell about every single day now
Im always thinking loads about her
Shes the best thing that ever happend to me and
I don't know what I would do without her

No fuck that I might ask my mate where they'll be
drinkin
From the sofa giving them a ding, tell em
I will go THREE's on that gram later on this evening
Instead of roachin a spliff wotchin the tv again
And then go out whilst back at hers she duz her ting
Sittin on the sofa at her end
But as I wotch the big screen, I know I will quite miss
Me and her roachin a spliff wotchin the tv again

I know I never tell about every single day now
Im always thinking loads about her
(that's exactly wot im taking about)
Shes the best thing that ever happend to me and
(I wouldn't have it any other way)
I don't know what I would do without her
(I tell you this)

I know I never tell about every single day now
(there's a whole world out there)
Im always thinking loads about her
(A whole world, But do i give a?)
Shes the best thing that ever happend to me and
(Do you know wot i mean, there's a whole world out
there)
I don't know what I would do without her

Ive got one packet of RIZLA over there
But it's nearly dry now
I ve got bits of ciggarette all over the place
The clipper needs a SHAKE
The ash tray needs an emptying

But I wouldn't have it any other way
I said i wouldn't have it any other way
I said I wouldn't have it (Have it) any other wayehhee
No I wouldn't (Wouldnt have it any other way)
Wouldnt have it any other way
(Wouldnt have it any other way)

I said the ash tray needs an emptying
(Wouldnt have it any other way)

I said the clipper needs a shaking
(Wouldnt have it any other way)
But I
(Wouldnt have it any other way)
(Wouldnt have it any other way)
I said the same thing as yesterday
(Wouldnt have it any other way)
