turn left up the street
nothing but grey concrete and dead beats
grab something to eat maccy d's or kfc
only one choice in the city
done voicing my pity
now let's get to the nitty gritty
tune reminds me of my first e
quite unique still 16 and feeling horny
point to the sky feel free
see here people are all equals
smiles in front and behind me
swimming the deep blue see
corn fields sway lazily
all smiles all easy
where you from what you on and whats your story
mesmorising tones rising pianos
this is my zone so stop cloning
pick paper scissors or stone
coz me and you are da same
known you all me life i dont know your name
the names european bob sorted
anyway have a dance now see ya later
please to meet ya
likewise a pleasure

(Chorus)

we were just standing in my hara home
we went on and on 'we all smile we all sing'
weak become heroes and the stars aligned 'we all sing'
we all sing'

but the night slowly fades and goes slow motion
all the comotion becomes floating emotions
same piano loops over
arms wave eyes roll back and jaws fall open
see in soft focus
chatting to this bloke in the toilets
dizzy new heights blinded by the lights
these people are for life
its all back to his place at the end of the night
yo, they could settle wars with this

if only they will
imagine the world's leaders on pills
and imagine the morning after
wars causing disaster
don't talk to me i don't know ya
but this aint tomorrow for now i still love ya
hours fly over
sail round diamonds and pearls
never seen so many fit girls
discover new worlds
look at my watch can't focus
last two hours i lost
every
