Everybody throw your lighters up
Tell me, y'all finna fight or what?
Everybody get your shit started
This is y'all motherfucking party
Everybody throw your lighters up
Tell me, y'all finna fight or what?
Everybody get your shit started
This is y'all motherfucking party

Every death is an abrupt one
Every cop is a corrupt one
If you aint got no cash up in the trust fund
Every cat wit a gat wanna burst one
Every guest wants a plus-one
Every tenement's a penitent
So every tried man is innocent
Time served should be the sentence spent
Everybody wanna hit a lick
Every one a y'all is getting pimped
Every time I spit I'm finna rip
Every cancer is a homicide
Every boss better run and hide
Every human is some kin to black
Every Visa got a pin to crack
Every verse is from the cardiac
Every search is involuntary
Every inmate want commissary
Every bank note is promissory
Every broke muthafucka finna form a gang
And when we come we takin everythang

Everybody throw your lighters up
Tell me, y'all finna fight or what?
Everybody get your shit started
This is y'all motherfucking party
Everybody throw your lighters up
Tell me, y'all finna fight or what?
Everybody get your shit started
This is y'all motherfucking party

Every mack want a Cadillac

Every mark want they scrilla back
Every knock want a hit of crack
In the park or a pontiac
Every little cent is to the rent
Where every roach is a resident
Every truth ain't evident
Every slave story, present tense
Every uprise a consequence
Every time it be something sweet
Every banker is a fucking thief
Everybody betta holla wit me
Every crime that I did was petty
Every criminal is rich already
Every landlord got a complex
Every single is a bomb threat
Every sellout mayor hates my verse
Everybody, they gon' get it first
Every broke muthafucka finna form a gang
And when we come we taking everything

And when we come we taking everything

Everybody throw your lighters up
Tell me, y'all finna fight or what?
Everybody get your shit started
This is y'all motherfucking party
Everybody throw your lighters up
Tell me, y'all finna fight or what?
Everybody get your shit started
This is y'all motherfucking party
