Chances are you'll find me  
somewhere on your road tonight  
Seems I always end up driving by  
Ever since I've known you  
it just seems you're on the way  
all the rules of logic don't apply  
I long to see you in the night  
be with you 'till the morning light...  
I remember clearly  
how you looked the night we met  
I recall your laughter and your smile  
I remember how  
you made me feel so at ease  
I remember all your grace and style  
And now you're all I long to see  
you've come to mean so much to me...  
Ref. Chances are I'll see you  
somewhere in my dreams tonight  
You'll be smiling like the night we met  
Chances are I'll hold you  
and I'll offer all I have

You're the only one I can't forget

Baby you're the best I've ever met...

\*And I'll be dreaming of the future

and hoping you'll be by my side

And in the morning I'll be longing

for the night

for the night

Refr.Chances are I'll see you

somewhere in my dreams tonight

You'll be smiling like the night we met

Chances are I'll hold you

And I'll offer all I have

You're the only one I can't forget

Baby, You're the best I've ever met
