I think you're pretty  
I'm gonna tell you  
'cos you've been crying

OOO

You met a guy  
that showed you  
"how to break a heart"  
"I think you're pretty"  
Yeah yeah

Won't tell you how  
And what to do  
But I want you

Youngblood Youngblood  
I wanna be I wanna be  
Your youngblood  
Heart beat here tonight  
Youngblood Youngblood  
I wanna be I wanna be

The wind that brings you back to life

OOO

OOO

I wanna be I wanna be  
Your youngblood - love

OOO

OOO

I wanna be I wanna be your  
youngblood - love

You think I'm funny  
You think I'm stupid  
You don't believe me

OOO

I've travelled million miles

To find my heart a home  
You think I'm funny  
Yeah yeah

Won't tell you how  
And what to do  
But I want you

Youngblood Youngblood  
I wanna be I wanna be  
Your youngblood  
Heart beat here tonight  
Youngblood Youngblood  
I wanna be I wanna be

The wind that brings you back to life

OOO

OOO

I wanna be I wanna be  
Your youngblood - love

OOO

OOO

I wanna be I wanna be your  
youngblood - love
