Oh my love?
The first time that you spoke my name
It somehow sounded not the same
Was like I knew from the moment on
And this is what I'm living for, faith had opened up the
door
And who am I to say that heaven could be wrong

(Chorus)
If it's all I ever do
I would give my heart to you
And I will do it faithfully until the end of time
When they carve my name in stone
At least I know they'll know
That in this life I made mistakes but I did one thing
right
?Cause I was meant forever loving you
If it's all I ever do oh? my love

Baby when I look at you standin? there so pure and true
Don?t know what I did to deserve
The way you smile, the way we touch, the way you?re
kissing me so much
I must be the luckiest man in the whole wide world

(Chorus)
If it's all I ever do
I would give my heart to you
And I will do it faithfully until the end of time
When they carve my name in stone
At least I know they'll know
That in this life I made mistakes but I did one thing
right
?Cause I was meant forever loving you
If it's all I ever do oh? my love

You'll do anything on earth for me
And it makes me love you more
?Cause baby you're the only love I need

(Chorus)

If it's all I ever do
I would give my heart to you
And I will do it faithfully until the end of time
When they carve my name in stone
At least I know they'll know
That in this life I made mistakes but I did one thing
right
?Cause I was meant forever loving you
If it's all I ever do oh? my love

ooh... I Ever do
