I never used to care about tomorrow no no
Living day to day without a trace
Whatever I did it just felt hollow ooh
Feeling incomplete in every way ooh
And there you stood in front of me ooh
Like a vision to set me free
And she said
I can make you see aaaah
If you just open up to me aaaah
'Cause when you came into my life
I went from darkness to light
And you said
Open up to me aaaah
Just for me
Where ever this may take me I will follow ooh
There's nothing here to hold me anyway oh no
Cause I can do without the pain and sorrow
I rather be alive than fade away
And there you stood in front of me
Like a vision to set me free
I can make you see aaaah
If you just open up to me aaaah
When you came into my life
Went from darkness to light
And you said
Open up for me aaaah
Just for me
Ooh
She said I can make you see
Wohooohh
(if you just)open up to me
Wohooohh
Came into my life
Went from darkness to light
Open up for me aaah
She said I can make you see aaah
If you just open up to me ahhh
When you came into my life
I went from darkness to light
Open up for me aahh
Just for me
