He's alone in the dark,
Late city night,
He won't pay for your sight,
Not tonight!

He's alone in the dark,
Hear the shout of crowd,
I'm alone in your house,
Taste the city night!

Tired of walking alone,
Through the winter long.
Painted all-red by your house,
They're talking about

Change to survive,
Red eyes and some guns,
But we're not for that cause.
We're somewhere besides!

Tricks and hookers tonight,
Late city night!
Taller buildings tonight,
Love, blood and stars
Tonight and tonight,
You only think in that.
But we're not for that cause.
We're somewhere besides!

When the mourning arrives,
Wake up in some house,
stacy 's not in your hands.
You lost her some

How to describe,
Feelings in your head?
So we're not for that cause.
We're somewhere besides!

He's alone in the dark,
Late city night,
He won't pay for your sight,

Not tonight!
