God has failed,  
Allah has failed,  
Fuck the holy war,  
We want war!

War for free,  
War for a fee  
Welcome to our menagerie.

Breakdown  
Pledge allegiance to pain,  
Pledge allegiance to death,  
The dark within will do the rest.

Chorus  
Charge with us,  
Kill with us,  
Become part of us...  
Charge with us,  
Kill with us,  
Become part of us...  
Charge with us,  
Kill with us,  
Become part of us...  
Kill!

Religion is a pest,  
It deceives the weak,  
And crushes the rest,  
Burn the holy building,  
Piss on the rubble,  
Nothing can stop us,  
Their lies mean nothing,  
To people such as us,  
All we want is trust,  
Carve your own path,  
Shake off the tangle weed,  
Embrace the new breed.
