"Criminal"

Sin is a game,
So it is spoken,
Each crime's the same,
The law must be broken.

I know right and wrong,
I was taught by my father,
But jail's where I belong,
When I wear that balaclava.

Prechorus,

I can feel,
Intention real,
Gathering in me,
And as soon as I,
Go out tonight,
I'll commit felony.

Chorus

I am criminal,
Illegal is my blood,
Theft and lies,
I am despised,
But that is understood,
I am criminal,
Offending is my skill,
Sin and stealth,
But not for wealth,
I do it for the thrill.
Criminal, Criminal, Criminal, CRIMINAL!

Theme---

Shadows cloak me,
And crime I'll bring,
Because when people fear,
You can do anything.

Break and enter to the creed,

Abolish legislation,
Steal and plunder, cheat and lie,
For criminal glorification.
