"Day In The Life"

Visit "[Day In The Life](#)" on MotoLyrics.com

Metal pumping through my veins,
Forges my frame of mind,
Murder, sex, booze and drugs,
Causing pain to all the gimps.

Whiskey on my cornflakes,
Gram of white on the side,
Just to start my day,
Feels like someone's gunna die.

Breakdown

Mosh, kill, loot, mosh more,
Booze and drugs are my fuel,
You'll never see me on the floor,
Injecting children is cool.

Chorus

Killing and maiming I take no shit,
Just a day in the life and a life in the pit,
Punishing the fools in my way,
Step outta line and I'll make you pay,
Can't stop, I'd rather be dead,
I always want metal in my head.

Slash the tyres on a wheelchair,
Punch a retarded kid,
I run into a funeral,
And do a merry jig.

Snort it, steal it, thrash it kill,
Love it, pump it, such a thrill,
Snatch babies from its mother,
Over the bridge and into the river,

Chorus

Burn down the home for elderly folk,
Giant cremation, like I give a fuck!
The world always spinning, it spins around me,
Revolves around my fantasy,

Of drugs and booze and smokes and guns,
A twisted way to have some fun.
A sinners song, and I'm DJ,
I can't believe it's only Monday!

Welcome to the scum!
