Tuck your tongue in,
You make me sick,
You scummy, fucking,
Autistic Prick.

Jump the fuck up,
Oh wait you can't,
I'll slash your tyres,
You crippled twat.

Chorus
I hate your disability,
It offends me,
I hate your disability,
It offends me,
No-one's fuckin perfect,
Now you take the rap.

You're a bad karma joke,
Send you up in smoke,
When I set your house on fire,
You can't crawl from the fire,
You'll die in the fire,
Oh my god, the fire,
Only your face tastes the flame.

Can you count to 11 without your dick?
You slack-jawed motherfucker, you're thick as shit,
Why don't we build a raft out of your bones?
Deport you to the ocean to drool and groan.

Spina bifida, I've seen two year olds walk faster you
worm,
AIDS, you really are the worst batch of sperm,
You're unevolved, scum, get out of my face,
You're prescence makes me sick you're a fuckin
disgrace!

Twisted are your bones,
Twisted is your mind,
You're an ugly deaf cunt,

You're a scummy blind!

What what what?

Spit it out cystic fibrosis kid,
Cough up your lung,
Like your dead mother did.

Parrots are better spoken,
Retard, go to school,
Hey, no-one ever said,
Despoiler wouldn't be cruel!

Chorus
