I can see inside,
The darkest corners of your mind,
And what disturbing thing I find?
The truth of all mankind.

It's sick,
I cannot believe it,
It's in my eyes,
The truth of our demise,
And it pains me to see,
Our destiny.

Chorus
We are all rotting away,
We are the servants of our enemy,
We are supposed to be free,
But there's a ball and chain on our body.
We are all fading away,
Because no-one is willing to fight with me,
We are haunted by a thieving wraith,
A demon I call thy faith.

You close your hands to pray,
In the hope that some day,
Everything will become ok,
But you kneel and you decay.

You implore,
For more and more,
From the real terror,
The one you call your father,
You waste your time and mine,
So blind.

Alternate Chorus
We are all rotting away,
We are the servants of our enemy,
We claim that we hold wisdom,
But a crucifix holds us in prison.
We are all fading away,
Because no-one is willing to fight with me,

We are haunted by a lying devil,
Your God, the real evil.

Chorus
